[EFFIE 2020 FULL](#)

Effie stands for effectiveness in marketing, spotlighting ideas that work.

The EFFIE 2020, hosted by I.A.A. Austria marked a special moment in the award's history – fully digital, safety compliant and, of course, very effectively.

25 awards

100+ representatives – every single one tested for covid-19

8 hours of production with 8 cameras

2.30 hours of live broadcast

40 one-minute clips for social media & promotions

International music festival KotorArt 2020

UNESCO world heritage city Kotor, JUL-SEP 2020

20+ live streamed concerts
15+ recorded programs
in less than 3 months

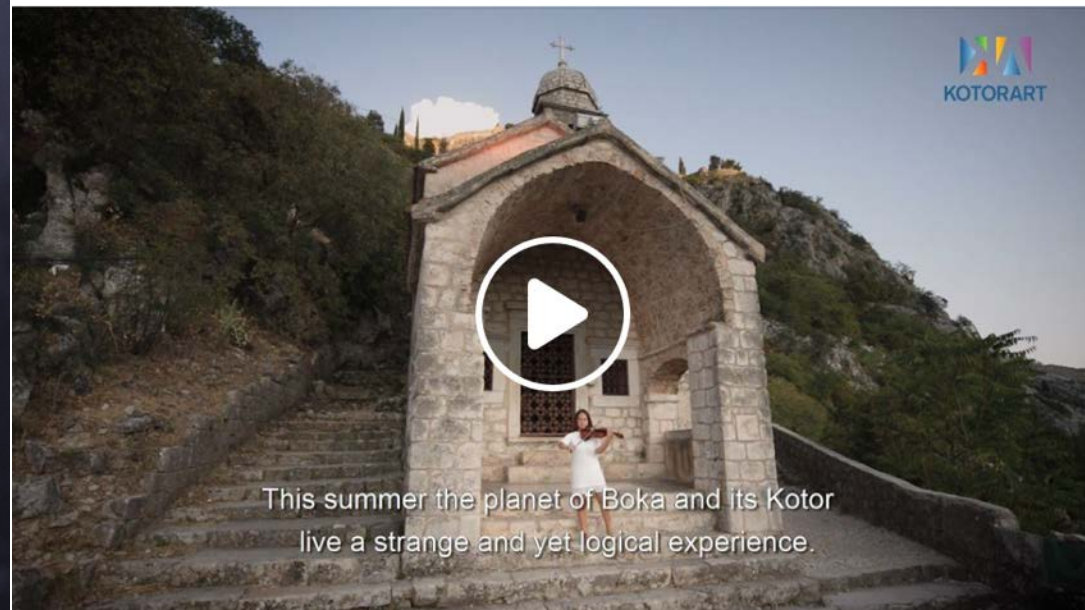

Instead of cancelling its 2020 version like many others,
KotorArt was transformed to a smart and compliant
hybrid version - concert live streaming, balcony,
window and boat concerts ...

KotorArt

November 13 · 🌐

☀️ A summer we couldn't predict is behind us, and KotorArt introduced the most unusual festival edition ever. After everything accomplished in the past season, we are recalling the sounds of the summer and impatiently getting ready for the next one.

Before the corona virus and its impact on our personal, social and economic environment completely absorbed our society, brands had planned to invest almost \$70 billion into the global event production eco-system. Event venues, trade fairs, music events, charity galas, sports events, anything between info and entertainment, the complete value chain for connected to these events is gone.

Forward this to save more events from being cancelled!
